

## European Test & Telemetry Conference 2025

### WHY BE AN ETTC 2025 SPONSOR

ETTC is a renowned European Congress which will be held in France on June 2025, 10-11th and is expected to attract 250 delegates.

Organized by the 3AF - *Association Astronautique et Aéronautique de France*, and the SEE - *Société de l'Electricité, de l'Electronique et des Technologies de l'Information et de la Communication*, two reputable scientific societies, its success is guaranteed.

Moreover, ETTC 2025 :

- ✓ is an unique European cross sector event on test and telemetry (Information Technology / Aeronautic / Space)
- ✓ attracts 250 attendees
- ✓ gathers about 30 exhibitors within the common exhibition and catering area,
- ✓ offers about 40 lectures
- ✓ involves main industrial companies, suppliers and SME's, universities and R&D Centers in Aeronautics and Aerospace.
- ✓ takes place at the International Convention Center "Pierre Baudis" in downtown Toulouse, home of the "Aerospace Valley" Cluster in the center of Occitanie and New Aquitaine regions.

**Sponsorships are an effective way to:**

- ✓ **Advertise your Company**
- ✓ **Draw attention to a new product or service**
- ✓ **Increase booth traffic**
- ✓ **Enhance your branding**

ETTC 2025 will provide a platform for top-level scientists during the two days of the conference. Representatives from universities and research centres, from the main industries (directors, managers, department leaders, engineers, researchers and technicians) as well as journalists, will participate.

During the event, various types of support will reinforce your company branding.

Different levels of sponsoring will enable you to access special services chosen to promote our partner companies.
